Member

13.Mrs.G.Kalavathi.,M.Com.,M.Phil

Nodal officer & Dean vocational programmes

At the outset the chairman welcomed the members present.

The principal and member secretary Dr.N.Yesodha Devi explained about the important role played by the following industrial partners in promoting the skill of community college students.

The industries are helping by giving hands on training to students at their industries, sending of experts for handling some important topics etc., The members thanked them and passed the following resolution:

“Resolved to thank all the above industrial partners for their support and enthusiastic participation for the skill development of community college students by giving hands on training and guest lecturers during 2014-2015 and requested them to continue their support in the coming years”.

The principal and member secretary Dr.N.Yesodha Devi requested the industrial partners to accommodate the community college students for hands on training in their industries during vacation holidays i.e. May 2015 which will enable them to enrich their knowledge.

Suggestion given by the members:

1. To encourage the students to become entrepreneurs which leads to the growth of the nation.
2. The outcome of the practical classes can be displayed in the college bazaar week or EDP weeks in order to market the products developed by community college students and also to get further orders.
3. A service outlet can be formed to render service to our college students and the college should provide a platform for the community college students to book orders.

With a vote of thanks by the principal the meeting came to an end at 12.50PM

G.Rangaswamy
