National Anthem

Jana-gana mana adinayaka jaya He,
Bharatha bhagya-vidhata
Punjaba-Sindhu Gujarata-Maratha
Dravida-Utkala-Vanga
Vindhya-Himachala Yamuna Ganga
Uchchala jaladi-taranga
Thava-subha name-jage
Thava subha asisa mage
Gahe thava jaya-gatha
Jana gana mangala-dayaka jaya He,
Bharatha bhagya-vidhata
Jaya He, Jaya He, Jaya He,
Jaya Jaya Jaya Jaya He.

English Translation

Thou art the ruler of the minds of all people
Thou dispenser of India's destiny
Thy name rouses the hearts of the Punjab, Sind,
Gujarat and Maratha, Dravida, Orissa and Bengal
It echoes in the hills of the Vindhyas and Himalayas,
Mingles in the music of Yamuna and Ganga and is
Chanted by the waves of the Indian sea.
They pray for the blessings and sing their praise,
Thou dispenser of India's destiny
Victory, Victory, Victory to Thee.

The Pledge

India is my country. All Indians are my brothers and sisters.
I love my country and I am proud of its rich and varied heritage.
I shall always strive to be worthy of it.

I shall give respect to my parents, teachers and all elders and treat everyone with courtesy.

To my country and my people, I pledge my devotion. In their well-being and prosperity alone lies my happiness.

PSGR KRISHNAMMAL COLLEGE FOR WOMEN

College of Excellence

The late Sri. G. R. Govindarajulu, Founder of GRG Trust, following the footsteps of his illustrious parents, started a high school for girls in 1956 in Peelamedu, Coimbatore. It had a growing popularity in this area and it was the earnest desire of all the distinguished visitors and the public that the school should blossom into a full-fledged college for women. Thus PSGR Krishnammal College for Women was started on 28th June 1963 under the auspices of the GRG Trust, with Sri G.R. Govindarajulu as Founder Trustee and Smt. Chandrakanthi Govindarajulu as Founder Correspondent of the College.

Affiliated to the Bharathiar University, the college is situated in a beautiful campus. Over a period of 55 years it has grown into a full-fledged first grade post graduate-research institution with multi storied buildings, well equipped laboratories, an excellent ever growing library with a good collection of Books, National & International Journals and with an extensive well maintained play ground and Sports Arena. The college offers 10 UG and 4 PG Courses under the aided scheme and 2 UGC sponsored courses, 20 UG, 9 PG, 3 PG Diploma and 2 Certificate Courses under the unaided scheme and M.Phil and Ph.D. programmes in 13 disciplines. The total student strength is around 8000.

Due to the untiring efforts and munificent support of the founders Smt. & Sri. G.R. Govindarajulu and their family members, the college in its second year (1964) of its inception was upgraded to a First Grade College. This is the first women's college in this area to start M.A Literature in 1969, B.Com in 1970 and B.B.M in 1987, exclusively for women. Another pioneering initiative at the state level is the starting of MBA course exclusively for women during 1993-94 under the banner of G.R. Govindarajulu School of Management Studies and this has now been accredited by the Accreditation Council for Business Schools and Programs (ACBSP), USA in 2019 and MBA Plus scheme provides additional inputs and enable selected students to realize their potential for leadership after graduation.

To ensure quality enhancement and sustenance and to make quality an inherent aspect of the institution, the Internal Quality Assurance Cell (IQAC) was constituted in January 2004. IQAC functions as a nodal center for initiating quality measures in various facets of institutional activities. Heads of

Departments and the Co-ordinators of all the service wings are its members. The cell is concerned with setting the targets for every academic year, ensuring that activities take place as planned, by comparing the actual performance with the targets set.

With the twin advantage of being the leading academic unit of Bharathiar University and effective governance by the benevolent management, the college stands to gain the all round appreciation of all its stakeholders. Autonomy in 2004, ISO 9001: 2000 certification in March 2007, Reaccreditation with 'A' grade by NAAC (Third cycle with CGPA 3.58 in Feb 2014). ISO 9001:2015 certification in September 2018, have been the modest but reaffirming assurances in the vertical climb of the institution towards the pinnacle of excellence. The Department of Botany has been elevated to the status of DST-FIST sponsored in the year 2009. In 2011 the college was awarded College with Potential for Excellence status by UGC. College level recognition by DST-FIST in the year 2012 is a value addition. This was followed by a celebrated elevation for science departments with the inclusion under the 'Star Status Scheme' of the DBT in the year 2012. In the post golden jubilee year, the institution has entered into new ventures with UGC sanctioning skill enhancing programmes through B.Voc (in two disciplines) and a Community College in 2014. A Rural Women Technology Park (DST-Sponsored) has been launched at Pillaiappampalayam, Annur Taluk to empower women in rural areas through technology transfer and entrepreneurship.

The Institution was awarded with “College of Excellence” status by UGC in 2016 and secured 22nd Rank among all the colleges in the country by National Institute Ranking Framework (NIRF) 2019, Ministry of HRD, Government of India. All the five Science Departments and three Computer Science Departments have been granted star status by the Department of Biotechnology (DBT).

PRADHAN MANTRI KAUSHAL VIKAS YOJANA (PMKVY)-2018 SKILL TRAINING PROVIDER / CENTRE

Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is the flagship scheme of the Ministry of Skill Development & Entrepreneurship (MSDE). The objective of this Skill Certification Scheme is to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood. Individuals with prior learning experience or skills will also be assessed and certified under Recognition of Prior Learning (RPL).

The key component of the PMKVY scheme is to provide

Short Term Training

Special Projects

Recognition of Prior Learning

Kaushal & Rozgar Mela

Placement Assistance

Continuous Monitoring

Standard Branding & Communication

These components are carried out through the registered Training Providers and Training Centres under PMKVY- Skill Management and Accreditation of Training Centres (SMART). The Training Centres register for required job roles/courses that come under specific Sectors recognized by National Skill Development Council (NSDC). The job roles are measured with National Occupation Standards and the candidates are assessed by the Sector Skill Council of NSDC.

GRG Trust with an experience over years of running the vocational courses, initiated for registration under SMART-NSDC as Skill Training Provider and PSGR Krishnammal College for Women will function as the registered Skill Training Centre and will provide the training for the following job roles.

I. Apparel Made-Ups Home Furnishing Sector Skill Council

- Sewing Machine Operator
- Hand Embroiderer

II. Beauty and Wellness Sector

- Assistant Beauty Therapist
- Assistant Hair Stylist

CHANDRAKANTHI CENTRE FOR DEVELOPMENT AND EXCELLENCE

To equip future generation for their successful employment and develop their personality along with their academics, **Personality Development Program** has been introduced for all three years. First Year program is split into two modules I Semester - Communicative English (40 Hours) & II Semester Effective English Communication (30 Hours). Second Year – General Aptitude for Campus Placement (40 Hours). Third year – Soft skill for Campus Placement (40 Hours). Student Support Manual is published through “**Wiley India Pvt Ltd**” for the same. Online support module in myclassroom (an internal support software) is implemented for online assessment. Final Year Placement registered students undergo a special training program for 30 hours “**Campus to Corporate Connect**”.

I Year – 40 Hours

Communicative English: This program is a bridge program for II semester; students are screened by class in charge based on their language skill (written and verbal). The course covers basic grammar and Spoken English.

Effective English Communication: This program is for entire I year. The course covers Verbal Aptitude.

II Year – 40 Hours

General Aptitude for Campus placement is given for entire second year. The course covers Quantitative Aptitude, Logical Reasoning, and Verbal Aptitude.

III Year - 40 Hours

Soft skill for Campus Placement is given for entire third years. The course covers Resume Writing, Group Discussion, Grooming, Body Language, and Communication.

Campus to Corporate Connect

Placement registered students undergo this program; experts from industry train the students on interview preparation.

CENTRE FOR E-RESOURCES

The centre aims at high-quality plan of the whole instructional approach of the various programmes offered in the college in tune with National Programme on Technology Education Learning. The e-contents with combination of sounds, images and text prepared by our faculty members provide free online video lectures in science and humanity courses and are made available in learning management portal 24 x 7 to our students.

LANGUAGE LAB

PSGR Krishnammal College for Women established the Language Lab in the year 2008, which is a language training platform to maximize practical learning of language and language-oriented skills. Lady Hawk software is installed in the lab to expand activity based learning amidst first and second year students of under graduation. Every year, around 3500 students get benefitted by getting trained through the language software to learn various languages like English, French and German. Language Lab allows students to practice language with a much wider variety of activities and exercises using online modules. Different modes of activities like audio exercises, video exercises and audio-visual materials are programmed to equip the users. The students can watch videos, practice their pronunciation through a speech recognizer, learn new vocabulary, and work out the grammatical tasks and they can also have a record of their scores. The platform is tailored to the individual needs of students. On the other hand, the monitoring and evaluation pattern incorporated in the systems aids the teacher identify the areas of difficulties students encounter during the course of language learning process.

Teachers know the progress of each student and receive reports of their strengths and weaknesses which enable bettering the skills. Individual activity tracking is enabled which facilitates accurate assessment of each student's performance record. This improves the language standards of the students and on the other hand, the teacher is able to have the records of progression for each student and of the entire class as well.
