I'm Divyadharshini. J Department of Information Technology, PSGR Krishnammal College 2020 –2023 batch. I had a great journey while pursuing a B.Sc. degree with the infrastructure provided by the administration and staff. It really helped me to evolve into a better person. I have received great support from our faculty & placement cell in building up a strong base for my career. The knowledge we acquired has laid the foundation for my future.
