

DEPARTMENT OF HISTORY

MA - 2 YEARS

SINCE 1980

UNIQUE FEATURES OF THE PROGRAMME

- The Programme offers comprehensive research, specialized coursework, and the opportunity to develop advanced, analytical and critical thinking skills. Specific features may include: Interdisciplinary approaches, hands-on training for the projects with the support of industry professionals. The uniqueness often lies in the Programme's focus and faculty expertise in various domains.

HIGHLIGHTS ABOUT THE CURRICULUM

- The curriculum typically delves into a panoramic exploration of historical periods, events and things. It emphasizes advanced research methods and critical analysis. Students are engaged in intensive study of specific regions or eras. The curriculum often includes seminars, group discussions, quiz etc., and provides opportunities for archival research and field study. Moreover, the Interdisciplinary perspective and the integration of diverse sources, enrich the programme fostering a nuanced understanding of the past, to study the present and to predict the future. The Syllabus is meticulously crafted for aspirants to optimise their preparation for UPSC/State Public Service Examination/UGC-NTA-NET/SET Examination and gain a strategic edge in other competitive arenas.

EXPERTISE OF THE FACULTY MEMBERS

- Faculty members have expertise in teaching and research in the domain of Environmental History of India, Indian National Movement, Temple History of Tamil Nadu, Modern Indian History and Gender Studies. They often play a crucial role in guiding students through thesis ,projects and providing mentorship, drawing on their wealth of experience in historical research and scholarship.

INFRASTRUCTURE – LIBRARIES & CLASSROOMS

- Well-equipped classrooms (Hybrid mode) with audio-visual aids facilitate effective learning. Libraries have an extensive collection of historical works, documents and journals. Access to digital archives and online resources is often integrated with their study components. A conducive learning environment is created through a combination of physical and digital resources to support the diverse needs of History students.

KEY BENEFITS

- It provides a deep and nuanced understanding of historical events, culture and societies.
- Students often have the opportunity to specialise in specific areas of interest, tailoring their academic experience.
- The Programme is the gateway to diverse career paths, including Academia, Research, Museum curation, Archival work and providing roles in cultural institutions, bestowed with a strong foundation for professional growth.

CAREER OPPORTUNITIES

 Teacher	 Research and Policy analyst in Govt. Agencies & NGOs
 Researcher	 Heritage Manager
 Museum Professionals	 Bureacrats
