### Highlights about the Curriculum

The curriculum offers Regional and Global literatures from the Renaissance to the present day and explores the relationship between Literature and the environment. It also fosters analytical and critical research skills for individual projects. Students gain hands-on training in Advanced English Teaching Methodology.

### Expertise of the Faculty

Our faculty possess strong academic and research acumen, fostering a learning environment that transcends traditional classrooms. expertise spans Literary Theory, Poetry, Fiction, Diaspora, Cultural Studies, and Post-colonialism. This provides students with a thorough understanding of Literature and cultural studies, promoting dynamic engagement with the literary world and beyond.

### Infrastructure

The department has a well-stocked library featuring 4,876 books, complemented by an additional 10,863 books and 5 journals in the General Library. Furthermore, we provide a Language Lab equipped with updated software (LADY HAWK) designed for language proficiency and Literature courses. Our facilities also include technologically advanced smart classrooms to intensify the learning experience.

### Student Life

To enhance the academic experience and foster a vibrant campus life, students actively participate in the Literary & Debating Association, Street Plays, Mime Shows, Literary Fests, Eco Visits, Community Outreach Programmes, and Industrial Visits. The department also values and encourages students' active contributions in designing and compiling the college magazine and department blog.
