Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>COVID-19 pandemic struck the world out of the blue and no facet of life was spared from itsadverseeffects. PSGR Krishnammal College for Women also faced the bruntof COVID-19. As per the Government’s order the college was closed on March 23rd 2020. By this time, the second internal assessment exams had been completed. In May 2020 we shifted to the online modeand the remaining portions were completed through virtual classes. During the pandemic, we have adopted both asynchronous and synchronous modes of teaching to cover the syllabus.Study materials and recorded video lessons by the faculty members were uploaded in the MyKlassRoom and Google Classroom portals and shared with the students. GoToMeeting, Zoom and Google meets were used to conduct live online classes in the synchronous mode. Use was also made of the Moodle open source LMS. The management invested in additional infrastructure (Computers, Tablets, WiFi etc.) and training for teachers and students. The End semester Exams were conducted successfully and there was no delay in publication of the results. The next semester started in the month of September 2020. The classes continued in the virtual mode. The college provided adequate internet facility to the faculty to engage the students fromthe college premises. As the Government of Tamilnadu has given permission to reopen the college for research scholars, theyhave started coming to the college and are using the WiFi facility provided by the College. All this is done following the COVID-19SOPsstipulated by the Government.</p> <p>Project Viva-voce andseminarswere conducted online. The End Semester Examinations were conducted in the descriptive type pattern through the proctored mode using the Google Classroom.</p> <p>This pandemic situation has become an initiator to promote online education. Of course it is a challenging time, for both the teacher and the taught. The challenges-faced have now become the stepping-stones to success. On the one hand the front-line workers are fighting the pandemic and on the other hand the teaching fraternity work tirelessly finding out the various ways and means to educate our future nation builders. The faculty members teach the student community in an effective manneremploying the latest technological resources and seek to get the students accustomed to the new-normal. These programmes are no doubt cost-effective. At the same time, there is no compromise in the quality. There are innumerable Apps and websites which enable the teachers to design their contents of delivery in a simple and effective manner, which are highly beneficial to the students.</p> <p>As the saying goes, “Change alone is permanent”. People must understand that a tremendous shift is taking place in the education industry. This massive shift opens up new vistas in which time, space, and travel constraints have been minimized. The possibility of getting education from anywhere in the world residing at your hometown has become a reality. The universities are likely to extend online programmes through the self-paced learning modeand our college is way ahead in implementing this new normal.</p>		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	0
