

# Strategic Plan

## Purpose

**To introduce OBE as a move towards learner centric education**

**2015-16 onwards - Focus on Outcome Based Education (OBE)**

## Key Objectives

Move the education system towards real understanding and learning	Development of cognitive skills and learning outcomes	Develop good, thoughtful, well-rounded, and creative individuals
---	---	--

## Initiatives

Series of Workshops and FDPs	Cluster Departments	Programme and Course Outcomes
Outcome Based Education, Assessment Program on OBE, Outcome Based Teaching	Sample curriculum to be prepared based on OBE and sent for external experts review	Curriculum to be revamped, modules to be split and Bloom's Taxonomy to be used in assigning knowledge levels

## Action Plan

Define Programme Specific Outcomes	Identify Cutting Edge courses	Implementation in Curriculum
What the students will be able to do at the time of their graduation	Mapping of Skill Gap-Cutting Edge courses	Curriculum and Assessment Pattern revision based on feedback
