**Research Articles**

- Appraisal of ground water quality in and around Kolar and Malur taluks of south-eastern Karnataka, India  
*K.L. Prakash, P. Ravikumar, M.N. Shivaraj Kumar, T.M. Santhosh Kumar and R.K. Somashekar* 1
- Preparation and analysis of sensory attributes of cucumber - tomato sauce  
*M.V. Nehra and Amanjyoti* 9
- In vitro* regeneration of *Pholidota pallida* Lindl. (Orchidaceae)  
*E. Sharone Gladies, T. Krishnaveni and B.S. Chithra Devi* 13
- Morphological and molecular characterization of *Paramphistomum epiclitum* (Platyhelminthes: Paramphistominae) infecting rumen of *Capra hircus* in Chandigarh (India)  
*Harpreet Kaur, Komal Chhikara and Aditya Gupta* 19
- Evaluation of phytochemicals and antioxidant properties in three varieties of *Passiflora edulis* L.  
*M.R. Arya and S. Suhara Beevy* 27
- Preparation and characterization of nitrogen doped graphene oxide/nickel oxide nanocomposites for dye sensitized solar cell applications  
*T. Shanmugapriya and J. Balavijayalakshmi* 34
- Morphological and molecular characterization of an Anoplocephaline cestode, *Moniezia expansa* Rudolphi, 1810 infecting *Capra hircus* in Chandigarh (India)  
*Harpreet Kaur, Priyanka and Aditya Gupta* 39

Studies on clove as a potential antidote for metal intoxication in <i>Tilapia mossambica</i> <i>Dhanya Pulikkottil Rajan and A.B. Surya</i>	50
Thermal radiation effects on Walter's Liquid B Fluid over a stretching surface in the presence of aligned magnetic field with prescribed heat flux <i>S. Munirathinam, C. Ragavan, R. Kalaivanan and B. Ganga</i>	53
<b><i>Short Communication</i></b>	
Bioaccumulation of selected heavy metals in a freshwater fish <i>Anabas testudineus</i> collected from a pond in an industrial area in Kollam District of Kerala <i>D. Meera and Sherly P. Anand</i>	59
