

Advances in Applied Research

Vol. 3

No. 1

January - June 2011

Contents

Research Articles

- Antimicrobial Potential of Endophytic Fungus *Colletotrichum gloeosporioides* Associated with *Madhuca longifolia* L.
Annamalai Thalavai Pandian, U.S. Ezhil Arivudainambi, Bagyalakshmi, Ayyappan Rajendran 1
- Antimicrobial Activity of a Novel *Streptomyces* sp. from Soil
D. Jayasree, T.D. Sandhya Kumari, P.B. Kavi Kishor and A.Uma 8
- Solid State Fermentation (SSF) of some Fishery and Agro-Industrial Wastes for Animal Feed Production
Manpal Sridhar and M.Chandrashekar 13
- In silico* prediction of Biological activities of Phytochemicals from the rhizome of *Curcuma aromatica* Salisb.
S. Revathi and N. S. Malathy 26
- Influence of Azophos Inoculation in Rice Grown in Two Different Moisture Levels under Pot Culture Condition
M. Jeya Bharathi, K. Kumar and J. Prabakaran 31
- Antioxidant Activity of *Acalypha indica*
S. Gayathri Devi, K. Tamarasi, R. Priyadarsini and A. Karunambigai 36
- Effects of Annealing Treatment on Optical Properties of Anatase TiO₂ Thin Films
P. Kokila and V. Senthil Kumar 42
- Thermally Stimulated Discharge Current and Pyroelectricity of Nano thin Polyvinyl Alcohol Films Prepared by Solution Growth Method
B. Chandar Shekar and D. Mangalaraj 49
- Studies on Synthesis, Breakdown and Laser Damage behavior of Cobalt Phthalocyanine, Polyaniline and their Blend Films
B. Chandar Shekar and D. Mangalaraj 54

Corrosion Inhibition Property of Some 4-thiazolidinones on Mild Steel in Acidic Medium	<i>S. Preethi, A. Shamitha Begum, J. Mallika and D. Nalini</i>	61
Comparison of the efficiency of blue-green algae with commercially available activated carbon in the biosorption of Cr(VI) from an electroplating industrial effluent	<i>N. Renugadevi, R. Thenmozhi and P. Lalitha</i>	69
An Inverse Transient Thermoelastic Problem of Hollow Sphere	<i>Badrinath E. Ghonge and Kirtiwant P. Ghadle</i>	76
<i>Short Communication</i>		
Interrelations among Quantitative Characters in Fodder Oats (<i>Avena sativa</i> L.)	<i>Bilal A. Bhat and S.A. Bukhari</i>	83
Effect of <i>Azospirillum</i> and <i>Rhizobium</i> on the Growth and Yield of <i>Vicia faba</i> CV. T-41	<i>Anwar Masood and Poorvi Johari</i>	87
A Generalization of Gamma Distribution	<i>Bilal Ahmad Bhat and A.B. Khan</i>	90
<i>Review Article</i>		
Mycoremediation: An Ecological and Evolutionary Perspective	<i>K.Tayung and B.P. Barik</i>	92
Instructions to Authors		i-ii
