Research Articles

- Estimation of area and production of horticultural crops in Himachal Pradesh State
Tauqueer Ahmad, H.V.L. Bathla, Anil Rai and Prachi Misra Sahoo 01
- Application of HEC-HMS for simulation of peak runoff rates from a small watershed
R. Ravi Babu, Purnima Mishra, R. NagarjunaKumar and K.S. Reddy 09
- Post harvest handling, assessment of loss and its impact on marketing margin and efficiency of Banana (cv. Robusta) in Karnataka
G.B. Ramesh, T.M. Gajanana and K.B. Umesh 14
- Performance of Azoxystrobin 25 SC against powdery mildew and downy mildew of grapes
P. Ahila devi, V. Prakasam and P. Latha 20
- Correlation analysis and antimicrobial activities of substituted aryl imines
R. Suresh, D. Kamalakkannan, V. Mala, K. Sathiyamoorthi, R. Sundararajan, S.P. Sakthinathan, R. Arulkumaran, G. Vanangamudi and G. Thirunarayanan 27
- Nutrient management for enhancing the productivity of Indian mustard (*Brassica juncea*)
Bhawani Shankar and K.C. Meena 36
- Effect of pre-harvest calcium chloride application time on quality and shelf-life of apple
Vishal Singh Barwal, Jayant Kumar and Deepak Raj Khajuria 42
- Assessment of soil chemical properties as effected by forest fire in Rajiv Gandhi National Park, Karnataka
M. Mahadeva Murthy and G.M. Devagiri 47
- Nutrient dynamics in soils of intensively cultivated sugarcane - sugarcane cropping system
D. Muthumanickam and P. Stalin 50

Integrated nutrient management in grain Amaranth (<i>Amaranthus hypochondriacus</i> L.) under Middle Gujarat conditions <i>C. R. Neeraja and M.V. Patel</i>	57
Effect of marine plant (<i>Excoecaria agallocha</i>) extract against luminescence disease causing <i>Vibrio harveyi</i> during shrimp larviculture <i>M. Dineshkumar, S. Kannappan and K. Sivakumar</i>	62
Structural and optical properties of copper doped zinc sulfide nanostructures using capping agents <i>D.J. Vidhya Raj and S. Jerome Das</i>	70
Synthesis of nano materials $Ba_5(PO_4)_3Cl$ and $BaHPO_4$ doped with Dy^{3+} , Li^+ and their photoluminescence studies <i>Ganngam Phaomei, Sagarika Patnaik, Rajkumari Bindiya Devi, Prabhathi Kumari Mahapatro, Lingaraj Behera, Ningombam Yaiphaba</i>	75
<i>Short communication</i>	
Nitrogen mineralization from farmyard manure and biogas slurry under aerobic conditions <i>R.K. Gupta</i>	81
