

PLASTIC ABOLITION COMMITTEE

Minutes of opening meeting 2025-2026

Date : 02.09.2025
Venue : MBA Library
PSGR Krishnammal College for Women

The following items were discussed:-

- Senior NSS and Ecowatch Club volunteers will dedicate time to educating incoming first-year students about the harmful impacts of plastic consumption.
- They will also remind the students that campus is a designated plastic-free zone and is under continuous surveillance.
- To organize awareness campaigns (posters, rallies, eco-talks, competitions) periodically on plastic hazards and avoidance through NSS, YRC, Rotaract & Eco Watch Club to reinforce the message focusing UN Sustainable Developmental Goals .
- Display posters and digital notices highlighting harmful effects of plastics.
- Student volunteers engaged in community service activities will actively promote the use of non-plastic consumables through virtual platforms, both within and beyond the institution.
- Encouraging faculty, students and other staff to use cloth/jute bags, steel bottles and reusable containers.
- Taking pledge by the faculty and students not to use plastics inside College premises.

PLASTIC ABOLITION COMMITTEE

Minutes of closing meeting 2025-2026

Date : 20.03.2026
Venue : MBA Library
PSGR Krishnammal College for Women

The following items were discussed:-

- Awareness campaigns via posters, rallies, eco-talks, competitions were organized periodically on plastic hazards, usage of cloth bags and avoidance of plastics through NSS, YRC, Rotaract & Eco Watch Club which focussed UN Sustainable Developmental Goals.
- Spread of messages against the usage of plastics were passed through student's assembly, council meeting, Class committee meeting and orientation and dissemination through club activities.
- The campus has been declared a plastic-free zone. The campus is being monitored regularly by the faculty and student volunteers and is under continuous surveillance.
- Posters and digital notices highlighting harmful effects of plastics were displayed.
- A foundation course on Environmental Studies is offered to UG students to make them understand the biodiversity and necessity to balance the ecosystem.
- Student volunteers promoted the use of non-plastic consumables through virtual platforms.
- All the faculty, students and other staff are encouraged to use cloth/jute bags, steel bottles and reusable containers.
- Awareness programs on Waste Management were conducted by club members. The Department of Mathematics has initiated a project on solid waste management with active participation from student volunteers.

It was resolved to continue these initiatives with greater participation and innovation.
